**SUBJECT: Exercise CANUSLANT 2007**

Dear CANUSLANT Colleagues

After a successful and busy workshop in Portland and RMS/ICS sharing of training we are ready to engage in planning and your personal participation in the CANUSLANT 2007 exercise to be held in St. Andrews N.B..

CANUSLANT 2007 is the latest in a series of biennial exercises conducted jointly by Canada and the United States to exercise the Joint Marine Pollution Contingency Plan, and specifically the Atlantic Geographic Annex. CANUSLANT 2007 will be held from September 11<sup>th</sup> to September 13th at the St. Andrews Biological Station in St. Andrews New Brunswick.

The exercise will consist of a exercising of a Joint Command and Control format prioritized from the May workshop and introduction of the Canadian Coast Guard RMS or Response Management System, Joint Information System and Emergency Communications, and Cross Border Movement of Equipment.

Attached are a hotel registration form and a schedule of events for the exercise week. Please contact Ryan Green by email at [greenr@mar.dfo-mpo.gc.ca](mailto:greenr@mar.dfo-mpo.gc.ca) or telephone him at 506-636-4716 by July 15th of your intentions to participate in this exercise.

Please use the online registration tool at: <http://www.uscg.mil/d1/response/jrt/canuslant.html> , This will enable us to track exercise participation/attendance. If you have any questions please contact the above.

Sincerely yours
